Twinkl go has thousands of engaging interactive educational activities to bring learning to life on your computer or tablet.

Just type in 'twinkl go' into your search engine

You do not need a password to access twinkl go, but you will be sent a password with some games that are appropriate for your child's learning pathway.

Child Login

If you have a PIN code for access, please enter it below:

Log In

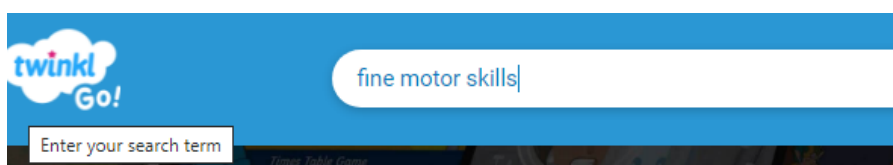

[How do I generate a PIN code?](#)

You do not need a pin to access Go! games.
The personal child login pin code is to share access to collections of games chosen by you or your child's teacher.

Please email your class teacher for an access code or if you are unsure of how to contact your class teacher, school can be contacted at enquires@rowan.sheffield.sch.uk and emails will be redirected accordingly.
